"Mamma!"

"Fact, my dear. Of course your papa forgot to mention that till just as he was starting for the city this morning; and they will all come with morning; and they will all come with several paparates. I have sent Daisy

bim this evening. I have sent Daisy to put the spare bed in order; but year know how it will leok."

"She'll make up the bed on the floor, and put the toilet service on a chair," said Fannie. "I'll try to get a peep. Mamma here comes Bessie Turner."

"Bessie," he said, and his voice was full of deep feeling, "was it kind to keep all this from me, knowing I lowed you? Is it kind to thrust me away now, when I have come all the was full of deep feeling, "was it kind to keep all this from me, knowing I lowed you? Is it kind to thrust me away now, when I have come all the way from California to find you? Have you ceased to love me, Bessie? Have you ceased to love me, Bessie? Have you ceased to love me, Bessie? "Have you ceased to love me, Bessie?"

"But will have to come in here."

"But will have to come in here."

"But will have to come in here."

"Have you ceased to love me, Bessie? Have you ceased to love me, Bessie? Will you send me back alone, or." and he opened his arms, "will you be my own, true, little wife, as you gave me feason to hope long ago?"

"But Alick," she said, "I am poor, "and he opened his arms, "will you be my own, true, little wife, as you gave my form California to find you?"

"Have you ceased to love me, Bessie?"

"But Alick," she said, "I am poor, "the experiment of granting to wome carriage, but her father's sudden death had revealed the fact that he was deeply in debt, and had left no fortune for his only the hild. Since that time Bessie had been teaching in the Seminary at B—; but on the day when Fannie Hanghton saw her from the house aroused them.

The weep's me to do of gay voices coming from the house aroused them.

The weep's me to find you?

"Hush, darling! You are mine, and I am not poor. You shail grow well again, my darling, when you have love and rest. Do not drive me away, Bessie."

And I am not poor. You shail grow well again, my darling, when you have love and rest. Do not drive me away, Bessie."

The weep's man a woice in the Government, which was inaugurated, for Lar years.

good one?"
"Will you take me?"
"Bessie!" cried both ladies. of recovering from the trouble in my lungs, that I have had so long, is to give up teaching; and he positively forbids me to touch a needle.

And so Mrs. Haughton lost her girl the same day she engaged her. "But, Bessle, you-a lady"-gasped

"Are you any less a lady for making ples this morning, Fan-Miss Haugh-ton, I mean? I suppose you will

"Darling," she said, "this must not be. I love you, Bessie, as one of my own girls, and you must come and let us nurse you until you are well again. You shall be my guest this winter."

"You are very kind," the young girl replied, "but you must let me have my own way. I do not need nursing, only rest from the constant talking to pupils, and active exercise. I told Dr. Will what I meant to do, and he said it was the best medicine in the world for me."

"Cent. over the average sown in the fall of 1872. The condition and prospects in nearly all the Territories is very much more favorable than in December, 1872.

[From the Portsmouth (N. H.) Chronicle, Dec. 9.]

The New Atlantic Cable.

On Saturday Governor Straw, accompanied by Judge Clark, of the United States District Court. Colonel Quite a long talk followed, but Mrs.

Haughton was obliged to yield her point. Bessie was resolved to be inpoint. Bessie was resolved to be independent and saw no disgrace in honestly getting her living in her friend's kitchen.

But when the girl was really alone, but when the girl was really alone, the western shore of Ireland and this But when the girl was really alone, she certainly acted very strangely, considering her late resolution. Just as Mrs. Haughton had left her, she had said:

"We expect Mr. and Mrs. Austin and their cousin, a Mr. Alexander Wight, lately returned from California"

the western shore of Ireland and this continent. After visiting several continent, a small cove to the south of Straw's Point was determined upon as the best place. On Monday Mr. Ricketts, who is the engineer of the new cable company, and Colonel Eastman, the contractor, took passage as the time for the contractor, took passage as the contractor, took passage as the contractor.

Then she left the kitchen, and Bes-ie dashed into the buttery and sat tion of the bottom. In soundings of down behind the door.

"Oh, why didn't I wait!" she said in a half whisper. "Aleck Wight at home! What will he think to see me a servant girl? It was bad enough to be teaching for a living! but cooking for a living! Oh, why didn't I wait! Wait for what? I am only earning my bread. Aleck Wight is nothing to me," she said again in stern, self-reproach; "probably he has forgotten my existence."

But even as she spoke there arose in The Highest Order of "Medal" Awarded at the Exposition.

hours, was a sore strain upon her pride and love.

"But this won't get my dinner," she said suddenly, as the little clock on the kitchen mantel warned her that time was flying. "If I must be a servant, at least I will be a good one."

The afternoon train brought the expected guests, and Bessie, peeping from her kitchen curtain, saw the pretty little lady who had been her hostess one evening, already mentioned, and her gray-haired husband; and a tall, broad-shouldered, heavily bearded young man, was introduced to his hostess and her pretty daughter, as "My cousin, Mr. Wight."

It was not the easiest task in the It was not the easiest task in the world, after this, to wait at the table, and Mrs. Haughton stared at the demure little waiteress, whose perfectly cooked viands she was dispensing.

Speaking of William M. I weed and his proposed book, the New York Times says: "We give him advice in ow which it will be the advice of the

But nobody noticed her, and dinner passed off very quietly, the new arrivals being full of city gossip for their country friends.
